New Hand Finished Mouldings with Dust Cover Application Channel

Nielsen Gilded Collection

Available in new Profiles #118, 119, 121, and 122 Nielsen Gilded Collection is an innovative hand finished moulding with an old world feel exclusive to Nielsen. This minimal moulding style provides the beauty of classic finishes with the strength and ease of metal. Nielsen Gilded also features a patented dust cover channel making the line truly archival!

PLEASE NOTE: When ordering, specify ML for Length or CH for Chop followed by the profile and reference number (Example: ML1521 or CH1521). Standard length for all profiles is 10 feet.
